

Ode to Coffee (Abominable Alliteration)

Hot as Hell Heavenly Goodness
equally Blistering in all your Brews.
Deliver me from Drowsiness;
give me Salvation from Sleep,
and Divine Deliciousness.
as you Pour from your Prodigious Pot
into your Ceremonial Ceramic Castle,
you Resonate your Remarkable Redolence
and Heat my Hands.
as i Raise your Righteous Reservoir
towards my Languished Lips
and Sip my Sinfully Satisfying Savior.
i become Devoted to the Decadent Drink
and Indulge in the Irresistibly Intense Inferno
of its Bitter, yet Benign, Benevolence.
