

This Pen

This pen is a fountain
from it pours not only ink,
but meaning.

Powerful messages
in the form of words
and sentences.

This pen has power,
the power to create worlds,
as well as destroy them.

The power to give life,
as well as take it away.

This is not just a pen,
but a tool,
an instrument,
from which anything imaginable,
and somethings not,
can pour out.
